REFUND POLICY

If a workshop is cancelled due to low registration, your payment will be fully refunded. If a workshop is postponed because of inclement weather, a new date will be negotiated. Anyone cancelling at least one month prior to a class will receive a refund for the total paid minus \$50. Cancellation within one month of a class will result in a refund (less \$50) only if someone is found to fill the space. If a workshop goes as scheduled and you don't show up, your payment will not be refunded.
