

MAP & DIRECTIONS

Directions to the studio: From Interstate 91 North, take Exit 17b, from 91 South, take Exit 17, onto 141 West. Come over the shoulder of Mt. Tom and down into Easthampton (approx. a 10-minute drive). Remain on Route 141 until the 7-11, take the first right (Liberty Street) just past the 7-11 store. *If you are coming from Northampton (Route 10) you'll get to this point by turning left onto Union Street (Route 141), then left just before the 7-11.* Once on Liberty Street go straight down the hill (there is a fork to the left), and turn right at the bottom of the hill (look for a Riverside Industries or One Cottage Street sign). Do not park in the first, little lot. Come over the small bridge into the large parking lot. Park in the large lot (at the rear of One Cottage Street). To locate the Garage Annex School for Book Arts and the Wide Awake Garage scan the roof-line of the building. Look for a reddish-brown elevator shaft to the right of the smokestack. Go through the loading dock door at the base of that elevator shaft (Door B). You'll find the passenger elevator down the hallway to the left. Take the elevator (or stairs) to the top (fifth) floor. The workshop is in room 5-03, the second door on the right, down the hall from the passenger elevator.
